Details to add under campaign listing field:

Login > Create Campaign

There are 9 options under "Choose a Category", being: Buy to Rent, Group Travel Viewing, House Flipping, Investment Course, Investment Events, Land, Project Development, Real Estate Company and Others.

This "Choose a Category" should be shifted up to the top, being the first to fill up before the other details. Reason being, other necessary information for different categories are different. The set of questions to fill for each category should vary. The specific detail, i.e. questions, in order will be specified below.

CATEGORY: BUY TO RENT
